MT10 infrared dongle & transfer to PC end-of-life announcement

Dear valued customer

We hereby announce that the Interacoustics MT10 infrared dongle as well as the possibility to transfer sessions to the Diagnostics Suite on a PC has reached its end of life, August 2024.

The MPT-II printer is not affected by this end-of-life notification.

Please contact your local distributor if you would like to discuss the option to replace your existing equipment.

Kind regards

Interacoustics A/S

Rie Søbye

Vice President, Marketing & Product Management
